

Consent Item

TO: Board of Trustees and Superintendent of Schools

PREPARED BY: Deanna Rantz, Director of Purchasing

PRESENTED BY: Jeffrey Weinstein, Assistant Superintendent – Business Services

BOARD AGENDA ITEM: Consideration of Approval of Contract Award to G2K Construction, Inc. for Lobby Security Projects - Phase 1 at Adolfo Camarillo HS, Channel Islands HS, Hueneme HS and Rancho Campana HS, Bid 603

BOARD MEETING DATE: October 30, 2019

BACKGROUND

Public Contract Code Section 20111 requires competitive solicitation of public works and construction projects that exceed the bid limit. The District issued a public notice inviting bids from pre-qualified general contractors and subcontractors for security upgrades at Adolfo Camarillo High School, Channel Islands High School, Hueneme High School and Rancho Campana High School. Two (2) bids were received on October 17, 2019. One bid was considered non-responsive due to lack of pre-qualification of a listed subcontractor. The District project team and consultants reviewed the remaining bid and determined it was responsive and met all District requirements. This is an approved Measure A modernization project.

ADMINISTRATIVE DISCUSSION

Lobby upgrades will include, but not be limited to, the addition of walls, doors, bullet-resistant storefronts and transaction windows. This project is considered Phase 1 of the ongoing lobby security upgrades. Phase 2 will include Oxnard High School and Pacifica High School. Rio Mesa High School needs little renovation in this area but will be upgraded in Phase 3.

FISCAL IMPLICATION

The cost of the project for the four school site locations is \$1,585,000.00, paid by Measure A Funds.

RECOMMENDATION

It is the recommendation of District Administration that the Board of Trustees approve a contract award to G2K Construction, Inc., for Lobby Security Projects – Phase 1, Bid 603, as presented.
